

If You Say Yes

7ired of the culture of war, fear and ignorance engulfing us both at home and abroad, Cindy Kallet composed this call to take on risks and challenges in an effort to find hope and optimism in the most unexpected places. Rather than isolate ourselves behind locked doors and closed shades, she urges her listeners to charge up the highest mount and into the eye of the storm. Our own Grey Larsen accompanies Cindy's guitar and vocals on "If You Say Yes," which can be heard on their first "duo" album, *Cross the Water* (Sleepy Creek #105, available from P.O. Box 2652, Bloomington, IN 47402; Web: <www.greylarsen.com>).
